

In Literacy we will be learning how to write a narrative, recount and also rhyming couplets. We will continue to build on our spellings, grammar and punctuation knowledge.

In Numeracy our key skills focus will be on our 2,5, and 10 timestables. We will be learning to use the inverse. We will also learn all about measures and how to use appropriate standard of units to estimate and measure.

In Jewish Studies we will be focussing on the Parasha of each week and its values. We will also be learning about the festival of lights 'Chanukah'.

In Humanities our focus is on Geography. We will be learning about London and Tel Aviv. We will be learning about the locations of each city, seasonal and weather differences and famous landmarks.

Our Topic this half term is  
**London and Tel Aviv**

Our Science work will be on understanding all about sound. We will be identifying different sound sources and experimenting with different sounds.

In RE we will be learning about facts and beliefs in order to understand what religion is about. We will also be focussing on what a community is. In PSHCE we will be discussing what to do or whom to seek help from when feeling unsafe.

In PE we will be Learning about dance. We will be sequencing movements to create our own dance and work as a team.

In ICT we will be learning how to copy and paste. We will use this skill for creating leaflets and posters all about London.
