## WHO WE ARE

### HOWARD PALLIS

I am chair of the Simon Mark Governing Board and a local authority Governor. I attend the Teaching & Learning, Finance and Press & Publicity Committees. I also chair the Simon Marks Jewish Primary School Trust. I have lived all my life in Hackney, am a local solicitor and both of my children attended Simon Marks.

### LAUREN BUCK

I have been a Foundation Governor since 2013. As a chartered surveyor and director of my own company, it made sense to join the Finance, Premises and Staffing committee which I now chair. I am also involved in the Head Teacher's performance management. In July 2015, I became a Trustee of the Simon Marks Jewish Primary School Trust. As a voluntary aided school, this is the charity that collects any voluntary donations.

### RACHEL BURNS

My two children have been educated at Simon Marks where I have been a Parent Governor for several years. I now hold the role of Associate Governor with particular responsibility for chairing the Teaching and Learning Committee. I have a background in education and work professionally in the Jewish community.

### JONATHAN FREEDLAND

Both my children were educated at Simon Marks, making me a parent at the school for 12 years. Having served for several years as an elected Parent Governor, I am now a Foundation Governor. In addition to my attendance at full Governing Board meetings, I also attend the Teaching and Learning Committee. I am a journalist, writer and broadcaster.

### AUSTEN GARTH

I'm a Foundation Governor of the school appointed by Simon Marks Jewish Primary School Trust in 2013. I sit on the Finance Premises and Staffing committee of the Governing Board. I trained as a teacher many years ago and this experience has certainly helped my understanding of many aspects of the school's activities. I have worked professionally in the Jewish community, and where possible use my knowledge of the community to support Simon Marks.

### MAURICE GLASMAN

I have a long standing connection with Simon Marks having attended the school myself when it was called Clapton Jewish Day School. My children have attended Simon Marks where I serve as a Foundation Governor and Vice Chair of the Governing Board. He is a member of the House of Lords.
