6th May 2022

5 Iyar 5782

Parasha: Kedoshim

Shabbat time: Starts Friday at 8.17pm and ends Saturday at 9.29pm

This issue: Potato planting and Yom Ha'atzmaut

As the weather warms up so does the soil and it's time for some planting! A huge thank you to Early years parents who helped prepare the land then worked with children. They planted plenty of potatoes in the garden.

We can't wait to see them grow. We may be able to provide the school kitchen with our home grown potatoes for lunch!

The bank holiday weekend marked the end of Ramadan and some of our families celebrated Eid – belated Eid Mubarak greetings.

This half terms quiz is on the periodic table, children have sections of or all of the periodic table to learn (depending on age). Our quizzes are very popular and very exciting so please help your child at home if they need it.

Thursday marked Israel's 74th birthday. Yom Hazikaron and Yom Ha'atzmaut were remembered and celebrated throughout the school. We started with our minutes silence in remembrance of those who died at war.

Everybody had a go at Israeli dancing throughout the day!

Mrs David and Mrs Cohen were absolutely exhausted

after teaching and dancing with every class. They deserve a good rest this weekend!

Ms Angela was busy in the kitchen and she made us a wonderful cake. We danced then sat in the wonderful weather to enjoy a piece of cake.

Mr Jacobs lifted the table up so we could all see the cake before it was cut up. It looked great and tasted delicious. A great way to end our active day!

Have a great weekend everyone.

Ms Metin– Headteacher and the Jewish Studies team.
