Parasha: Acharei-Kedoshim

Shabbat time: Starts Friday at 8.04pm and ends Saturday at 9.14pm.

Let me start off by saying how proud we are of the team representing Simon Marks at the Hackney Daily Mile event. One of our year 4 entrants came 1st in the girls cross country run. This was a two mile race!

Our daily running is making a difference to all our lives and keeping us healthy.

A huge congratulations to our winner and to all the children who took part, to us they were all winners!

On Wednesday, we remembered those that lost their lives on the journey to Israel becoming a state. Ms Angela baked a huge cake for us.

We enjoyed Israel's birthday cake at the end of the school day!

This week year 4 have been very focused on their science work. They visited the Science museum.

Sometimes the best way to test friction is to have a go!

They went even further in school as they explored sound and vibrations.

Mr Jacobs kindly allowed his car and his speakers to be part of the experience. Learning was definitely fun!

The whole school is preparing for a cricket tournament towards the end of the term. Each class is developing their cricket skills. Lots of throwing, catching and batting is happening both inside school and in our playgrounds. To help us out with this we had visitors from Middlesex County

Cricket to coach us and further develop our skills in cricket.

Even our younger players were having lots of fun whilst learning.

Hopefully our pupils will be watching cricket and learning more about cricket on their trip to Lords cricket ground today.

Ms Metin– Headteacher and the Simon Marks team.
