Last week we welcomed a Paralympic star for wheelchair basketball into school. Amir led the Hackney Sparrows.

Our children were able to see the Olympic torch up close and had a living history recount of events.

Our children were really excited and inspired by our visitor.

We look forward to more visits and having a go at wheelchair basketball.

Last week we also held our 'Bring a parent/significant adult' into school day.

In year 4 the grown ups joined in with an Ivrit lesson.

Grown ups in year 3 had a go at watercolour paintings of landscapes. It was great to observe our children as the leaders in these discussions. Some were also showing off their technical skills and knowledge in the subject. Fun was had by everyone and valuable learning was taking place throughout the session.

Up in our year 5 and 6 classroom the subject was Geometry and problem solving.

Year 1 and 2 were also sharpening their maths skills.

And in Early years the grown up joined in with morning prayers.

A huge thank you to everyone that joined in with our learning!
