Busy! Busy! Busy! Year 6 have been preparing for their SATs exams– Yr6 will take these next week– they have worked really hard and every pupil has made amazing progress. We wish them all the best.

Early years and years 1/ 2 visited the Hayward Gallery.

There were definitely lots of art work and sculptures to see and talk about!

Year 1 and 2 were equally fascinated by the exhibitions.

As always we smile for the camera!

Our school visits are always a fantastic learning opportunity and great for our children to explore venues in London. Hopefully they will leave a lasting memory for them.

As the weather warms up please take your children out as much as possible–

this can be good for their physical and emotional well being.

Back in classrooms, Year 4 were giving each other verbal instructions and descriptions, whilst one pupil described the other drew according to the instruction.

Giving instructions and seeing how your instructions are interpreted is a fantastic learning opportunity with lots of great fun whilst learning. Do have a go at home.
