Shabbat time: Starts Friday at 21.05 and ends Saturday at 22.25

This week Key Stage 2 went to visit Hatfield house and it's stately grounds.

A stately manor house which has a lot of history with our late Queen Elizabeth II.

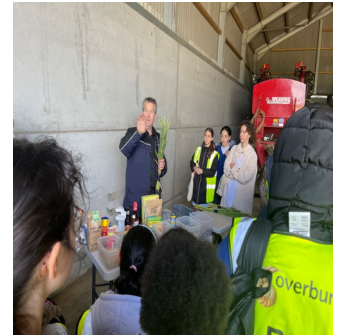

With it's vast estate and land a lot of farming happens. Pupils were able to see and learn about cattle.

All of our pupils were able to get up and close to an owl.

Pupils learned all about bee-keeping and were able to get close to hives and saw honey as well as the bees hard at work. They were even able to locate the queen bee after they knew what they were looking for.

All of our pupils had the opportunity to learn about owls and were even permitted to stroke an owl.

They learned about harvesting wheat.

They visited the turkeys in their coop.

But most of all– they all had fun whilst learning!
