As year 6 have finished their exams and are preparing for secondary school, they are making more special memories before they leave us. A range of special activities have been prepared for them. This week they went ice skating

Some were great at it, some took falls but by the end of the session everyone was definitely much better at it!

In school some of our younger pupils had lessons on Israeli dancing.

The workshop leaders commented on how eager our pupils were to learn and how talented they were!

All our pupils always leave us feeling proud!

Friends of Simon Marks have organised this years Summer Fete. This will take place after school Wednesday 10th of July. Please come along and have lots of fun!

Our Sports day will go ahead on the 12th of July, however Springfield Park has told us there are no working toilet facilities at the moment. Mr Gilani is looking for an appropriate alternative venue– if all else fails we will plan a sports day event in our playgrounds. More information to follow.

Next years classes will be announced towards the end of next week !
