This is our final newsletter of this academic year. I can't believe how quickly it has passed and we are all another year older!

We have had an amazing two weeks in school.

Our sports day did manage to take place in Springfield Park and the weather was kind to us.

Our pupils had lots of fun as well as keeping healthy.

The annual tug of war was great with staff beating parents for the first time (thank you for all the parents who helped us with this !

Our ARP pupils had sports day at school in the playground. They also had lots of laughter!

Our year 6's got their amazing SATs results back – 100% in everything. We will be doing a press release once the results are 'officially' out.

Year 2 had their Siddurim assembly. Parents said wonderful things about their children and handed them their school Siddur.

I'm sure you will all agree that our Summer fete was amazing. It was wonderful to see the pupils so excited by the activities on offer. All the grown ups were chatting and laughing around the playgrounds. It warmed my heart to see us as the amazing community that we are.

Friends of Simon Marks managed to raise £450 for the school (after costs/expenses taken out). This will go towards school councils fundraising event next year– It gives them a great bumper start so they can dream a little bigger.

My staff and I would like to wish you all a wonderful summer break and thank you all for being part of the Simon Marks family and making school wonderful and fun for our children.

Happy Holidays!

Ms Metin and the Simon Marks Team
