A huge thank you to everyone who visited our Art exhibition before the half term break. Our children are always proud to share their work with you. Here are some of the outcomes:

Yr 5's abstract portraits were stunning and very eye catching.

Year 4's sewing skills and application of natural dyes onto fabric was amazing.

ARP pupils worked on making salt dough expression faces.

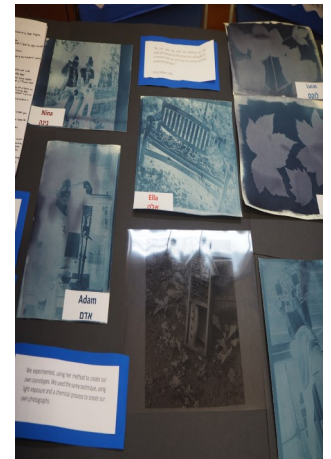

Early years made some fabulous collages.

Year 1 and 2 designed and created masks using modroc. We love giving our pupils the opportunity to explore different materials and the outcomes are always impressive!

Year 6 really took skills to the next level. They created a dark room effect using photography skills not really taught in primary school at this level. The outcomes were amazing.

It always fills me with pride to share what our talented pupils can achieve. A huge thank you for all staff and their dedication.
