Welcome back everyone. The summer term looks like it's going to be a hot one. Please make sure your child has a water bottle with them which can be refilled throughout the day. We are happy for pupils to have sun caps on during playtimes. We do operate a 'hot play' system where activities are brought inside to avoid too much exposure.

Yesterday was Yom Hazkiron and we held a one minute silence in respect to those that have died.

We also celebrated Israel's 77th birthday with a cake and sang National anthems of both Israel and the UK.

Mr Jacobs led the assembly- we definitely enjoyed the birthday cake!

Our quiz for this term is about identifying flowers. We wanted to appeal to aspiring gardeners and botany enthusiasts. As the weather is warming up, our playgrounds are in use a lot more.

Our Daily Mile running is in full force!

Y5 investigated how many laps of our cage equate to a mile. Knowing that there are 1609 metres in a mile and our cage has a perimeter of 94 metres, we established that 17 laps of our cage equal a mile.

Our Extra Curriculum Curriculum is full speed ahead.

Here are yr 3/4 pupils leaning how the Eiffel Tower expands 15cms during the summer due to heat!

This week we had Streetwise (Jewish Educational Organisation) in school to compliment our in school work on Online safety. This was very well received by both staff and pupils.
