Hi everyone, this will be our last newsletter for this academic year. We can't believe how quickly the year has flown by and our pupils are one year older.

We are sad to see our year 6's leave and move onto their new schools. They have made us very proud by achieving 100% in their SATs exams. Every pupil passed in every subject area tested. We wish them all the best in their new adventures.

This year we also say goodbye to Mrs. David and Mrs. Cohen. After decades (30 years +) at Simon Marks they are retiring. They have been a true asset to our school and seen many of our students grow over the years. We wish them all the best. They will come back to visit!

Our Summer fete was a tremendous success and we managed to raise £655. This will contribute towards our purchase of a Bi Monthly Storytime publication for all our pupils.

Simon Marks would like to extend particular thanks to Inbal, Sharon, Reut, Elssye, Lynette, Avinoam, Many, Sandra and Simon who helped to make it such a successful event.

If you are interested in joining Friends of Simon Marks (FOSM), please leave your number in the school office. You will be added to the FOSM 'Whats app' group.

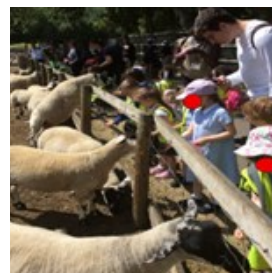

Our Consultant Rabbi in Residence, Rabbi Goldmeier will be relocating to Israel, however he will continue supporting us remotely from Israel. We wish him all the best in his move.

Elsewhere in the school our Lower school pupils have

been out and about. Early years and years one and two were out in the Docklands.

The Summer term is usually busiest with trips for our younger children as they have grown over the year and are more ready for days out!

Hence Early years at Mudchute farm.

We would like to thank you all for another wonderful year at Simon Marks and wish you all a happy and healthy summer break when it comes!

Ms Metin and the Simon Marks Team
