- Tuesday 24th March- Upper school mock Seder 2.00pm
- 27th March- End of term 1.30 finish

We have managed to get everything done despite it being a short half term!

A huge thank you to everyone who completed our computing survey. The difference in opinions and use of technology is vast. We have a lot to think about moving forward. It was great to see and listen to some of you at our coffee morning.

Here's what some of your children say:

'I think mobile phones are useful, I talk to my parents when I'm out, I use it for researching things I can't find in books and sometimes I play games on it and it's fun. Daniel Yr 5.

'In my class we sometimes do educational quizzes, especially on verbal reasoning. It's great fun' Ebenezer-Yr 5

'They are very useful for searching for facts and research. It makes learning more interesting'. Shoshana Yr 4.

We have just purchased 30 new laptops for our pupils to continue with their computing lessons and would like to thank the Simon Marks Jewish Trust for their £10,000 donation towards these devices.

In other news, we would like to share some Tu B'Shevat pictures with you.

Making our fruit kebabs and fruit bouquets was lots of fun!

We also had lots of parents come into school on our 'Bring a parent/significant adult into school day.

We hope you had as much fun as we did!

We would like to wish you all a calm and peaceful half term week

Ms Metin and the Simon Marks team.
