Year 5 pupils made their way to Wembley for the annual ETGAR challenge. They met up with all other Jewish schools from around London and were quizzed on their knowledge of Judaism.

Pupils reported having a great time and lots of new learning took place. Many thanks to Mrs Osborne, Ms Daines and Mr Ganani.

Back in school, learning continues. We have been using our new laptop devices; pupils have been developing their coding and problem-solving skills on the Purple Mash app by identifying and fixing errors through debugging.

Years 3 and 4 went ice skating this week.

It was the first time for many pupils but by the end of the session they had all the skills needed! It was a fantastic, fun experience. Year 5 and 6 will also be having a go today!

This week we say goodbye to Ms Azel, Ms Duygu and Ms Rose as they have completed their teacher training time with us. We wish them all the best in their future teaching experiences.

Ms Metin and the Simon Marks team.
