- 1<sup>st</sup> June- School re-opens for Summer term 2
- 5<sup>th</sup> June- Class photos being taken
- 10<sup>th</sup> July- Sports day (more info to follow)

We have been all around London recently. Years 1 and 2 had a visit to St Pauls Cathedral and other areas surrounding as part of their 'Great fire of London' topic work.

It was great to see the actual places where real historical events took place. Pupils had a great, memorable day with lots of learning taking place.

Whilst they were in central London year 5 was at the science museum. They learned a lot whilst visiting all the science exhibitions followed by an interactive laboratory experience.

To top this event Early years went to Mudchute farm. They had a day of frantic weather, missing the downpours and enjoying the warmth. Lots of fun was had when driving the DLR.

Most children had fun feeding the animals.

Iris said she was too scared at first but was an expert by the end of the trip!

**Ms Metin and the Simon Marks team.**
