An extra busy two weeks at Simon Marks has kept us going from strength to strength. Last Friday we held our 'Netball Tournament'. All pupils have been learning how to play this team game, they have been pivoting, defending and goal shooting across the school.

Our overall team winners were Early years and year 6.

Our individual winners for scoring the most goals were Hadassa in year 4 and seconded by Fatimah in year 3. Well done to everyone!

On Tuesday we had our annual Lag Be Omer celebrations.

The whole school participated in archery lessons throughout the day. It was great to see talents in different areas.

Whilst archery took place in one part of the playground, Mr Jacobs was busy getting the barbecue ready for our communal outdoor barbecue lunch.

And to round off a great two weeks, we had 'Pasta Making' lessons in the hall!
